

Let us help

Morneau Shepell **Employee Care** provides you and your employees with immediate and confidential help for any work, health or life concern

An Employee and Family Assistance Program (EFAP) is support system that your employees can turn to for confidential help with:

- HR processes and tools
- Consultation on dealing with sensitive employee situations
- Stress, anxiety and depression
- Family and relationship issues
- Addictions (drugs, alcohol, gambling and smoking)
- Legal worries and financial difficulties
- Health and nutritional concerns
- Problems in the workplace and career issues

The program is confidential and optional, providing support to employers and employees to address both daily challenges and significant issues that affect their work, health and wellness.

Employee support services for small and medium businesses make access to professional counsellors and resources available for employees 24 hours a day, 7 days a week.

Nearly 10,000 organizations already trust us to keep their employees healthy.

The benefits to your business:

- Overall program ROI of 8.7 to 1
- Support and encourage a healthy, high-functioning workplace
- Reduce costs related to absenteeism and employee benefits
- Solidify your position as an employer of choice
- Attract and retain talent
- Showcase your commitment to your employees by supporting them and their families
- Reduce the time managers spend dealing with employees' life challenges and work issues
